EDUCATION

Bachelor of Technology in Computer Science with Specialization in Cloud Computing and Virtualization   May 2021
GLA University, Mathura

Intermediate   May 2016
High School   May 2014

INTERNSHIP / TRAINING

Linux World, Jaipur   June 2019 – July 2019
Under- Mr.Vimal Daga

- Training is related to Intelligence Implementation of Automate Deployment of Hybrid Cloud Computing / AWS/ Docker / Ansible –DevOps tool which is integrated on Red Hat Linux System using Python CGI.

PROJECTS

Serverless Image Compression Using S3 and Lambda   Jan 2020 - Feb 2020

- Technology used is AWS Cloud
- It main objective is to resize an image

Developing a Three Tier Web Application and Deploying it on AWS EC2 with Autoscaling property with S3 storage

Sep 2019 - Dec 2019

- Technology used is AWS Cloud
- Used Ngrok to expose HTTP localhost

Cloud Touch   June 2019 - July 2019

- Technology used is Cloud and RFID
- It provides OS in your own pocket and you can take it anywhere you want.
- The basic mission statement of our project is to solve the working problem of college and school students

Automated Dashboard   June 2019 - July 2019

- It is a web portal from where in one click you can launch Docker or login into your AWS account. Also it provides you online GUI and command line based Linux system (RED HAT) using Python CGI

SKILLS

Technical

- Coding – Java and Python Programming
- Knowledge of Docker, Ansible, Git, Github, Jenkins
- Working on AWS cloud
- Good Knowledge about Linux System (RED HAT)
- Web Development – HTML,CSS,Bootstrap
- Database – SQLs(Mysql)

Professional

- Effective Analytical Skills
- Ability to identify and solve problems
- Public Speaking and Teamwork

CERTIFICATIONS

- RHCSA – Red Hat Certified System Administration
- RHCoE – Red Hat Certified Specialist in Ansible Automation

Extra/Co-Curricular Activities

- Vice President in Gloud Club(Official Cloud computing club), GLA University
- Attended workshop on AWS
- Conducted Workshop on Redhat and Docker under Gloud Club, GLA University
- Attended the Kubernetes Forum Delhi by Linux Foundation
- Attended the Docker meetup Delhi

Declaration

I hereby declare that all the information provided above is true and correct to best of my knowledge.
